OZ DOME 1st Annual Indoor/Outdoor Fall Cup "All Division" September 18-20, 2015

In the September 2015, the OZ Dome will be entering its 18th year in operation, with a NEW state of the art Dome within its full service Indoor & Outdoor Sports facility. The new Dome will have FIFA recommended Classic HD indoor turf, Built In Skylight and Stadium LED Lighting to complement our 2 exterior natural grass Practice and Stadium soccer fields.

Within the New Dome we have created opportunities for local companies and organizations to advertise their products and services in a cost effective format with both indoor and outdoor signage at our family friendly community sports facility that currently services 50,000 patrons annually from the Stittsville and the surrounding area communities.
