I. Team and Player Registration

1. On the outdoor fields, each team must register a minimum of 11 players to a maximum of 20.
2. Prior to the first league game, teams must submit the following:
 - a. The team representative is required to fill out the OZ Dome Team Registration Form in its entirety.
 - b. The team representative must submit a complete team roster prior to the first game.
 - c. All players **must** submit an OZ Dome Player Registration Form prior to their first game in order to be eligible to play. Non-registered players will not be permitted to play.
 - d. The team representative must submit at least 50% of the team fees minimum (2) weeks prior to the season start.

****Please note that items a. through c. above may now be completed online through our homepage at www.ozdome.com. ****

3. The age for Men Old - Timers is 40 years and over. The age for Women Over is 35 years and over.
4. Teams may bring visiting players to any game as long as OZ Dome Management is notified before the start of the game and each player has filled out the online player registration. The maximum number of visiting players allowed per game is 2.
5. Players may be added or released from team rosters as long as OZ Dome Management is notified in writing and player registrations are properly filled out.

II. Game Day Registration and Procedures

1. Each team is required to complete their rosters online.
2. Player eligibility check can only be requested before the game has begun, not during or after. **If a team is unable to provide their proof then OZ Dome Management may decide to subsequently forfeit the game.**
3. Managers must sign the game sheet after every game confirming scores.

III. Equipment

1. All players must wear shin guards and proper footwear.
2. Only Indoor or turf shoes are permitted to be worn while playing on the OZ Dome facility outdoor fields. **Cleats of any kind are not permitted at any time without exception.**
3. Each team must have numbered uniforms. The goalkeeper must wear a distinct shirt (i.e. different colour) from that of their teammates as well as the opposing team's uniforms.
4. Any player wearing a wrist or arm hard cast will not be permitted to play due to the risk of injuring another player or aggravating their own injury. Knee braces are permitted provided they appear safe, stable and meet the referee's approval. Watches, jewelry and glasses are also not be permitted for safety reasons.

IV. Duration of Game

2 x 45-minute halves with a 5-minute break at half time. The referee will start the game on time regardless of whether both teams are ready to play. Any team that is more than 10 minutes late may forfeit the game at the discretion of OZ Dome Management. The game will be considered complete if more one half is completed.

V. Number of Players

Games are 11 vs. 11 (including the goalkeepers). Teams must have a minimum of 7 players (including the goal keeper) on the field to start the game.

VI. Ball out of Bounds

Players will play "throw-ins" from out of bounds. All opposing players must be a minimum of 10 feet (3 yards) from the ball. The ball out of bounds at either goal line will result in either a goal kick or corner kick. Goalkeepers are not permitted to pick up throw-ins.

VII. Offside

The offside applies at all times.

VIII. Goal

The ball must completely cross the goal line (between the posts).

IX. Free Kick

Direct and Indirect: Opposing players must be 10 yards from the ball caution.

X. Goal Kick

A goal may be scored directly from a goal kick. Goal kicks can be taken from anywhere inside the goalkeeper's area.

XI. Penalty Kick

A penalty kick will be awarded for: a player (other than the goalkeeper) handling the ball or tripping an opponent within the penalty area; a sliding tackle in the penalty area and any other infraction of the rules that would result in the award of a direct free kick inside the penalty area (based on F.I.F.A. rules).

All players from both teams must be outside of the 18 yard area and behind the ball before the ball is kicked. The goalkeeper must remain on his goal line, facing the kicker, between the goalposts until the ball has been kicked.

XII. Corner Kick

Corner kicks are direct. The ball must be placed inside the corner quadrant before the ball is kicked.

XIII. Kick-Off

Will be awarded to the opposing team after a goal is scored and to start each half of the game. All kick-offs are direct; a goal may be scored directly from a kick-off.

XIV. Pass-Back

Regular pass-back rules to the keeper are in effect.

XV. Substitutions

Substitutions are unlimited and may take place at any time with the referee approval. However, players must substitute within 5 meters of their team's side of the centerline. An illegal substitution will result in an indirect free kick where the ball was last played. Repeated disregard of this rule could result in a yellow card.

XVI. Sliding Tackles

No sliding tackles are permitted. A direct free kick will be awarded to the opposing team. Sliding to save a ball from going out of bounds or in the goal, which does not constitute a "tackle" or endanger an opposing player in any way, is permitted.

XVII. Yellow Card

1. Any player who receives a yellow card must serve a 2-minute time penalty. If the opposing team scores before the two minutes has expired, the penalty is considered served and the player can return to play.
2. Any player who receives 2 yellow cards will be out of the game.
3. Any player receiving 3 yellow cards during the course of a season will receive a one-game suspension commencing the next game played by that player's team.
4. Any player receiving 5 yellow cards during the course of the season will receive an additional two-game suspension commencing the next game played by that player's team. OZ Dome Management will attempt to notify each person who is suspended. It is, however, the responsibility of the player to know his or her own status, as ignorance is not a defense in an appeal hearing.

5. The accumulation of yellow cards does not carry over into playoff play. Suspensions, however, do carry over into playoff play.

XVIII. Red Card

1. Any player receiving a red card (or two yellow cards in a single game) must leave the vicinity of the field and the OZ Dome property immediately.
2. Red card violations listed below will carry the following suspensions:

VIOLATION

SUSPENSION

Professional foul

1 game

2 Yellow cards; dangerous tackle; foul language to another player

1 game

Foul language to a referee

3 games

Intent to injure

3 games

Fighting

4 games

Instigating a fight

6 games

3. OZ Dome Disciplinary Board reserves the right to impose stiffer penalties, if warranted. The referee's report will indicate the reason for the Red Card using the terminology stated above.
4. The player will **not** be permitted to play, and is considered suspended, until the suspension is served and all fines are paid. Any player caught playing while suspended will be subjected to further suspension and their team will forfeit every game in which the suspended player participated. An additional point will also be deducted from the team's league standings for each game in which a suspended player participated.
5. Any player or coach who receives a suspension and is participating in more than one league will be suspended from all leagues in which they play or coach, until suspension is served. **In other words a one-game suspension means one game in all leagues in which the offender participates.**

XIX. Suspensions

1. All long-term suspensions (not including Red Card or Yellow Card infractions) from the indoor season will be applied to outdoor leagues at the OZ Dome.
2. All suspended players must pay a \$25.00 fine.
3. The suspended player is **prohibited from all activities in the OZ Dome** until they serve their full suspension and pay the above-mentioned \$25.00 fine.

XX. Referee Decisions

1. The OZ Dome League Coordinator appoints all referees. We stand by, and respect, all decisions made by our referees.
2. We do, however, monitor our referees in attempt to provide top quality officiating. Comments or concerns will be heard from our patrons if a referee is not performing in a professional manner. In the unforeseen circumstance that an appointed referee is not available, OZ Dome reserves the right to appoint, at its discretion, a replacement referee.
3. **Please note: Any players, coaches, or fans that threaten officials will be banned from the facility.**

XXI. Referee Assault

Referee assault will be dealt with by the OZ Dome Disciplinary Committee. The appropriate Special Incident or Referee Assault Report is to be filled out by the assaulted referee.

XXII. Appeals

1. Teams may protest based on the eligibility of a player. This protest can be based on a player playing while under suspension or failure to be registered. This must be done before the start of the game (if player does not play then no protest is required). For late arrivals, if the eligibility of the player is questioned and they participate in the game, the team appealing is required to do the following:

- Submit the appeal in writing to OZ Dome Disciplinary Committee within 48 hours of the game in question.

2. The OZ Dome Disciplinary Committee will hold a hearing, which will consist of three arbiters appointed by OZ Dome Disciplinary Committee Chairperson, a representative from the appealing team and a representative from the team in question.

The hearing decision is final.

XXIII. Game Scoring

Win = 3 points Tie = 1 point Loss = 0 points

1. In the event of a tie in the final standings, the following tiebreaker rules shall apply:
 - a. Head to head competition (goal differential: if both teams have the same number of wins in head to head competition),
 - b. Most wins,
 - c. Goal differential,
 - d. Most goals scored,
 - e. A coin toss.
2. If more than two teams are tied, then the following tiebreaker rules shall apply:
 - a. Most wins,
 - b. Goal Differential,
 - c. Most Goals Scored,
 - d. A coin toss.
3. A game that is forfeited will count as a 3-0 win for the non-forfeiting team.

XXIV. Playoffs

All playoff games (i.e. quarter-finals, semi-finals and finals) that end in a draw will continue as follows:

- a. **5 penalty Kicks:** If the game is still tied it will then be decided by **sudden death** penalty shots.
 - i. Each team will designate one (1) shooter at a time. Each player on the team must take a penalty shot **if required**.
 - ii. If the game is still tied after all shooters (**if necessary**) have taken one shot then the teams will begin with their first shooter again. Each team will take one penalty shot until a team misses. It is **SUDDEN DEATH** therefore, if the first team shooting misses and the second team scores, the game is over.

XXV. General

During the course of the season, it may be deemed necessary by the OZ Dome Executive Committee to amend the rules and regulations pertaining to OZ Dome Sports and Recreation Center indoor soccer leagues and tournaments. All coaches and referees will be notified of any changes that may arise.

XXVI. Facility Rules
